OTHER INFORMATION:

Description	What does this mean ?
Usage Alerts	Please go to http://www.slimtel.com.au/support , there is a dedicated section for usage alerts in the mobile support section where you can set this up , or email info@slimtel.com.au or call 1300 788840 to set this up, or get your unbilled balance at any time during the month.
International Roaming	We generally recommend to purchase a local sim card for heavy users abroad. If you do require roaming we can activate it any time, but you must be with us for 6 months, already be on direct debit and have a good payment record and acknowledge that it is a very expensive service for both data and voice. We can activate and deactivate it on request. The rates vary from country to country. For more information visit www.slimtel.com.au/roaming for the latest rates.
Customer Support	You can contact us at anytime, we are here to help you. You go to www.slimtel.com.au/support which will answer most calls and has web forms for all types of typical questions. You can call our support line during business hours on 1300788840 or if you are too busy, just drop us an email on info@slimtel.com.au
Bill	You will receive a bill free via email as a Tax Invoice every month. If you require a paper bill the fee is \$1.98 per month.
Coverage	We encourage you to see the coverage in your area. For relevant coverage updates please go to www.slimtel.com.au/coverage
More Information	Please Visit www.slimtel.com.au/legal for our Terms and Conditions, Standard Form Of Agreement and Privacy Policy.
Escalation	If you are not happy with an issue, we have a dedicated escalation email address ccm@slimtel.com.au which you should put your issue in writing. A that point you will be given a complaint number. If you are still not satisfied you can contact the Telecommunications Industry Ombudsman with the complaint number on 1800 062 058 or www.tio.com.au
